A floor plan diagram showing a bathroom and a master bedroom. The bathroom is on the left, containing a bathtub, toilet, and sink. A hot water tank (HWT) is located between the bathroom and the master bedroom. The master bedroom is on the right, featuring a large bed and two bedside tables. A staircase with 'Up' and 'Dn' directions is located between the two rooms. Plumbing lines are shown connecting the fixtures to the HWT and exiting the room through a wall on the right.
