

A floor plan diagram of a roof deck. The deck is represented by a grid of 12 columns and 12 rows. A thick black line outlines the perimeter of the deck, with a smaller, thinner line just inside it. A rectangular area at the bottom left of the grid is labeled "Skylight". The text "Roof Deck" is centered in the grid.

Roof Deck

Skylight

A floor plan of a roof deck. The deck is represented by a grid of 10 columns and 10 rows. A thick black line outlines the perimeter of the deck, with a notch on the left side. A rectangular skylight is located in the lower-left quadrant, spanning 3 columns and 4 rows. The text "Roof Deck" is centered in the upper half of the grid, and "Skylight" is written vertically inside the skylight rectangle. Dashed lines indicate a rectangular area in the top-left corner (columns 2-5, rows 7-10) and a rectangular area on the left side (columns 1-2, rows 4-6).
