A floor plan of a loft. The plan is rectangular. On the left side, there is a staircase with 12 steps, indicated by horizontal lines. Above the staircase, the text "Dn" is written. To the right of the staircase, the text "Loft" is written. Below the staircase, the text "Open To Below" is written. The plan shows a large open area on the right side, and a smaller area on the left side, separated by a wall. The staircase is located in the middle of the left wall. The text "Dn" is located to the left of the staircase. The text "Loft" is located in the upper right area. The text "Open To Below" is located in the lower right area. The plan also shows a small rectangular area at the bottom left, and a small rectangular area at the bottom center, which are likely entrances or exits.

Loft

Dn

**Open

Loft

A floor plan diagram of a building. The plan is enclosed in a rectangular border. At the top, there is a rectangular area labeled "Loft". Below the "Loft" area, there is a large rectangular area labeled "Open To Below". To the right of the "Loft" area, there is a staircase labeled "Dn" (Down). The staircase is represented by a series of horizontal lines. The "Open To Below" area is open to the space below it, as indicated by the label. The "Loft" area is separated from the "Open To Below" area by a vertical wall. The staircase is located on the right side of the plan, adjacent to the "Loft" area.

Loft

Dn

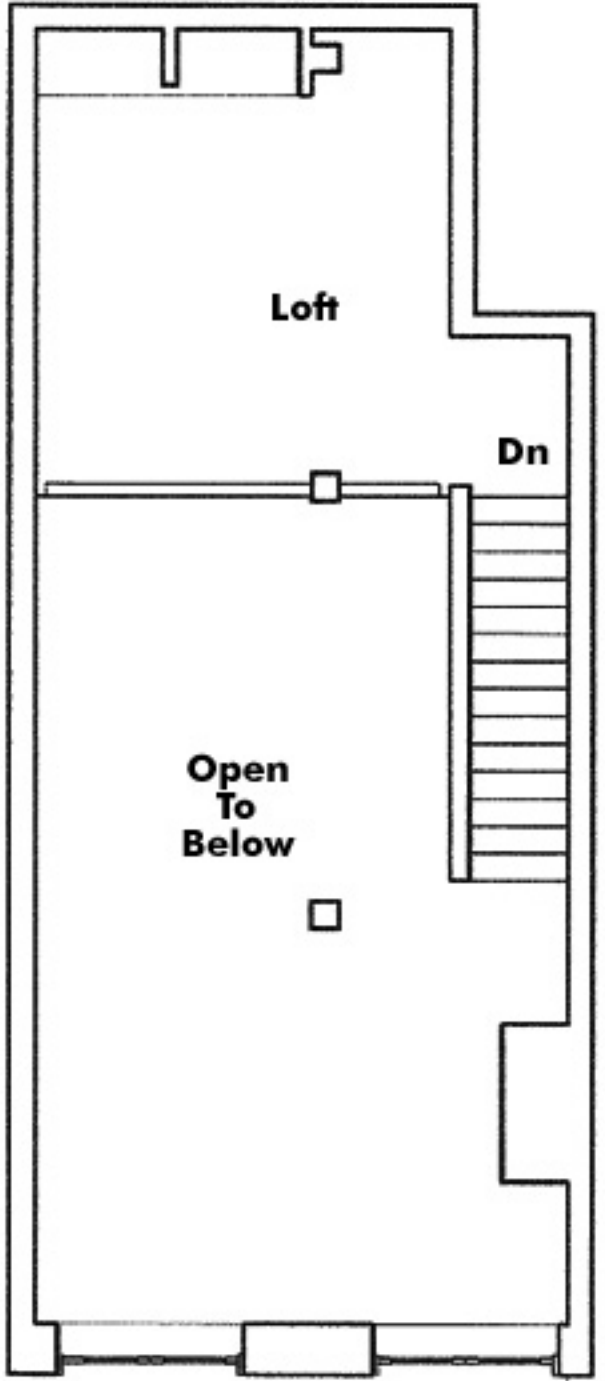

**Open

A floor plan diagram showing a rectangular room. On the left side, there are two sets of stairs. The first set, labeled 'Dn', descends from a platform. The second set, labeled 'Up', ascends to a platform. To the right of the stairs is a large open area. The top right corner is labeled 'Loft'. The bottom right area is labeled 'Open To Below'. The room has a complex left wall with several protrusions and a small square feature at the bottom center of the bottom wall.

This is a technical architectural floor plan of a roof deck. The plan is rectangular with a smaller rectangular extension on the left side. The main area is filled with horizontal lines. A vertical rectangular structure, possibly a chimney or vent, is located in the upper left. It has a section with vertical lines and a door labeled 'Dn'. To the right of this structure is a large rectangular area with a double-line border. In the bottom left corner of the main area, there are three small circles. The bottom of the plan shows a series of parallel lines representing a railing or edge. The text 'Roof Deck' is centered in the lower half of the plan.

Dn

**Roof
Deck**

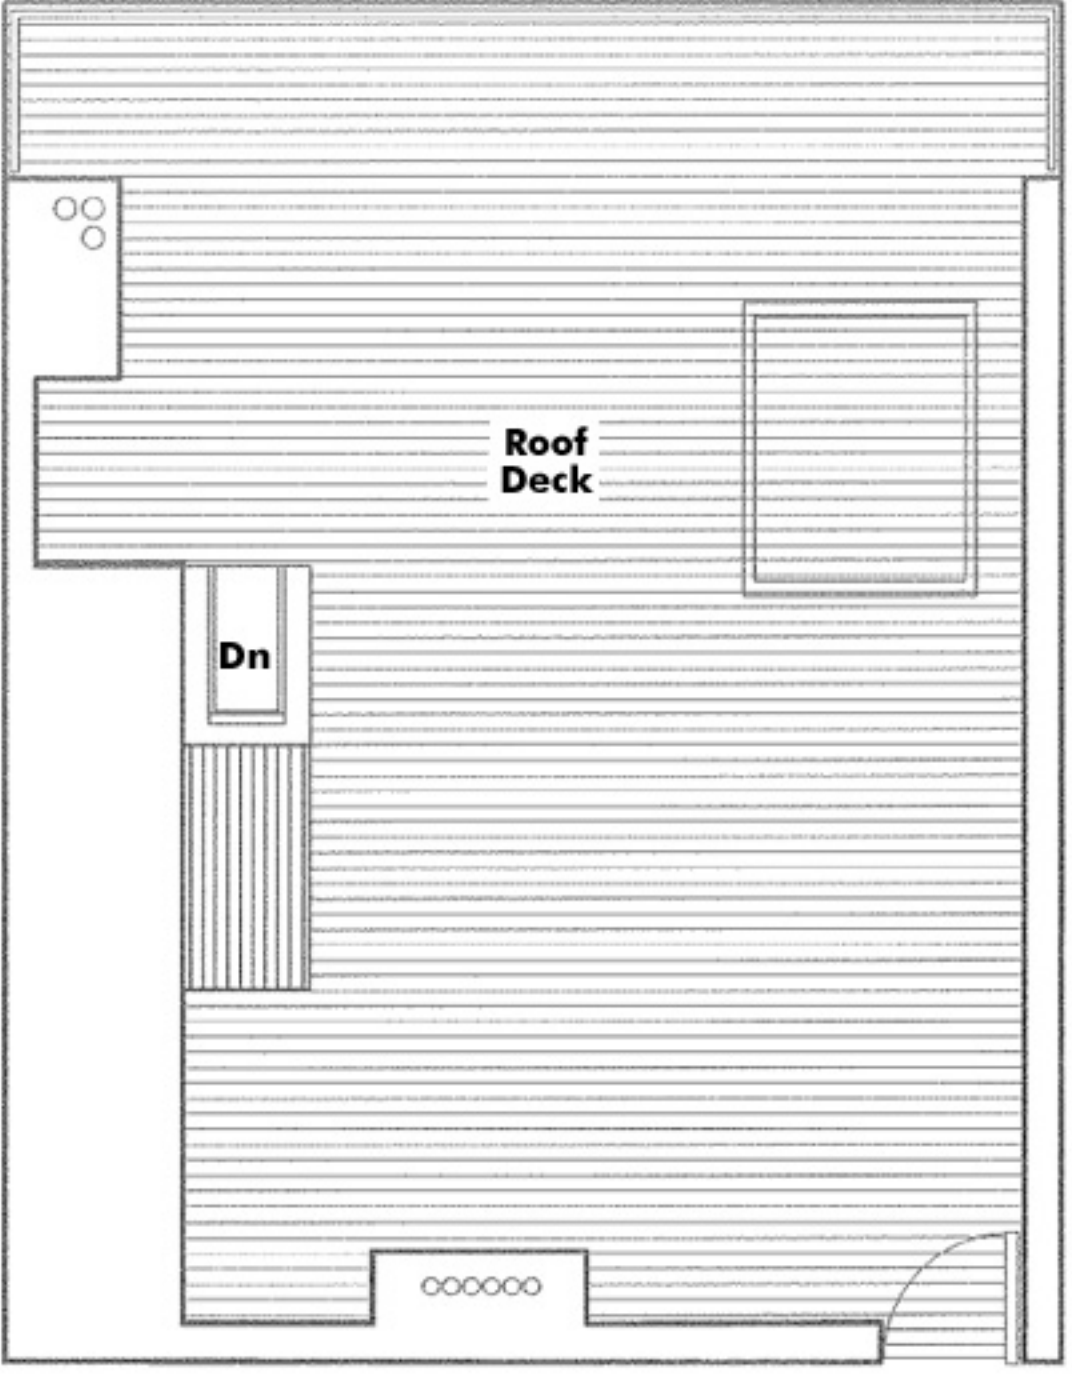

A floor plan diagram of a loft area. The plan shows a large rectangular space with a complex, stepped boundary on the left and bottom. On the left side, there is a set of stairs labeled 'Dn' (down) and 'Up' (up). The stairs are represented by horizontal lines. A dashed line indicates a continuation of the space or a boundary. In the center of the main area, the text 'Open To Below' is written. At the bottom, there is a section labeled 'Loft' which is partially enclosed by a wall. The top of the plan shows a boundary with two small rectangular features, possibly doors or windows.

Dn

Up

Loft

A floor plan of a roof deck. The deck is rectangular with several features: a small square area in the top-left corner containing three circles; a large rectangular area in the top-right corner; a vertical rectangular area in the middle-left labeled 'Dn' with a downward arrow; a vertical rectangular area in the middle-left with vertical lines; a horizontal rectangular area at the bottom containing six circles; and a curved area in the bottom-right corner.

Roof Deck

Dn

A floor plan diagram of a building. The plan is divided into two main horizontal sections. The top section is labeled "Loft" and is separated from the bottom section by a horizontal line. The bottom section is labeled "Open To Below" and is separated from the top section by a horizontal line. A staircase is located on the right side of the plan, with an "Up" arrow pointing towards the Loft and a "Dn" arrow pointing towards the Open To Below area. The staircase is shown with a series of horizontal lines representing steps. The plan also includes a vertical dashed line on the left side of the Loft area and a horizontal dashed line on the right side of the Open To Below area. The overall shape of the plan is rectangular with some irregularities on the right side.

**Open
To
Below**

A floor plan of a roof deck. The deck is rectangular with a door on the right side labeled "Dn". The door is open, showing a set of stairs leading down. To the left of the door is a rectangular area, possibly a window or a partition. In the bottom right corner, there are three small circles arranged in a triangular pattern. The text "Roof Deck" is written in the center of the deck.

Dn

**Roof
Deck**

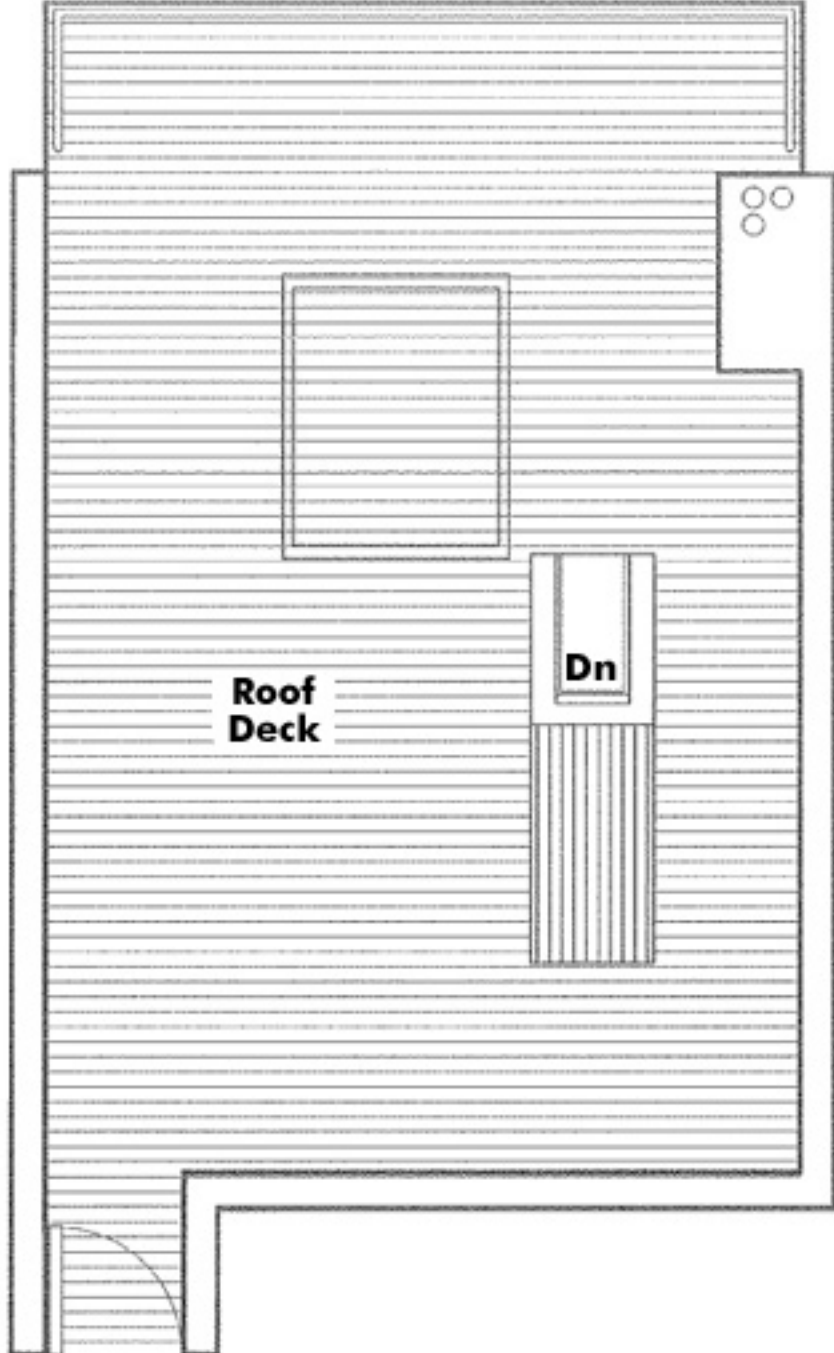

A floor plan diagram of a room. The room has a large open area at the top and a smaller area at the bottom labeled 'Loft'. A staircase is located on the right side of the 'Loft' area, with an 'Up' arrow pointing towards the stairs and a 'Dn' arrow pointing away from them. The text 'Open To Below' is centered in the upper part of the room. The room's walls are represented by thick black lines, and the stairs are shown with horizontal lines and a vertical railing.
