**Roof
Terrace**

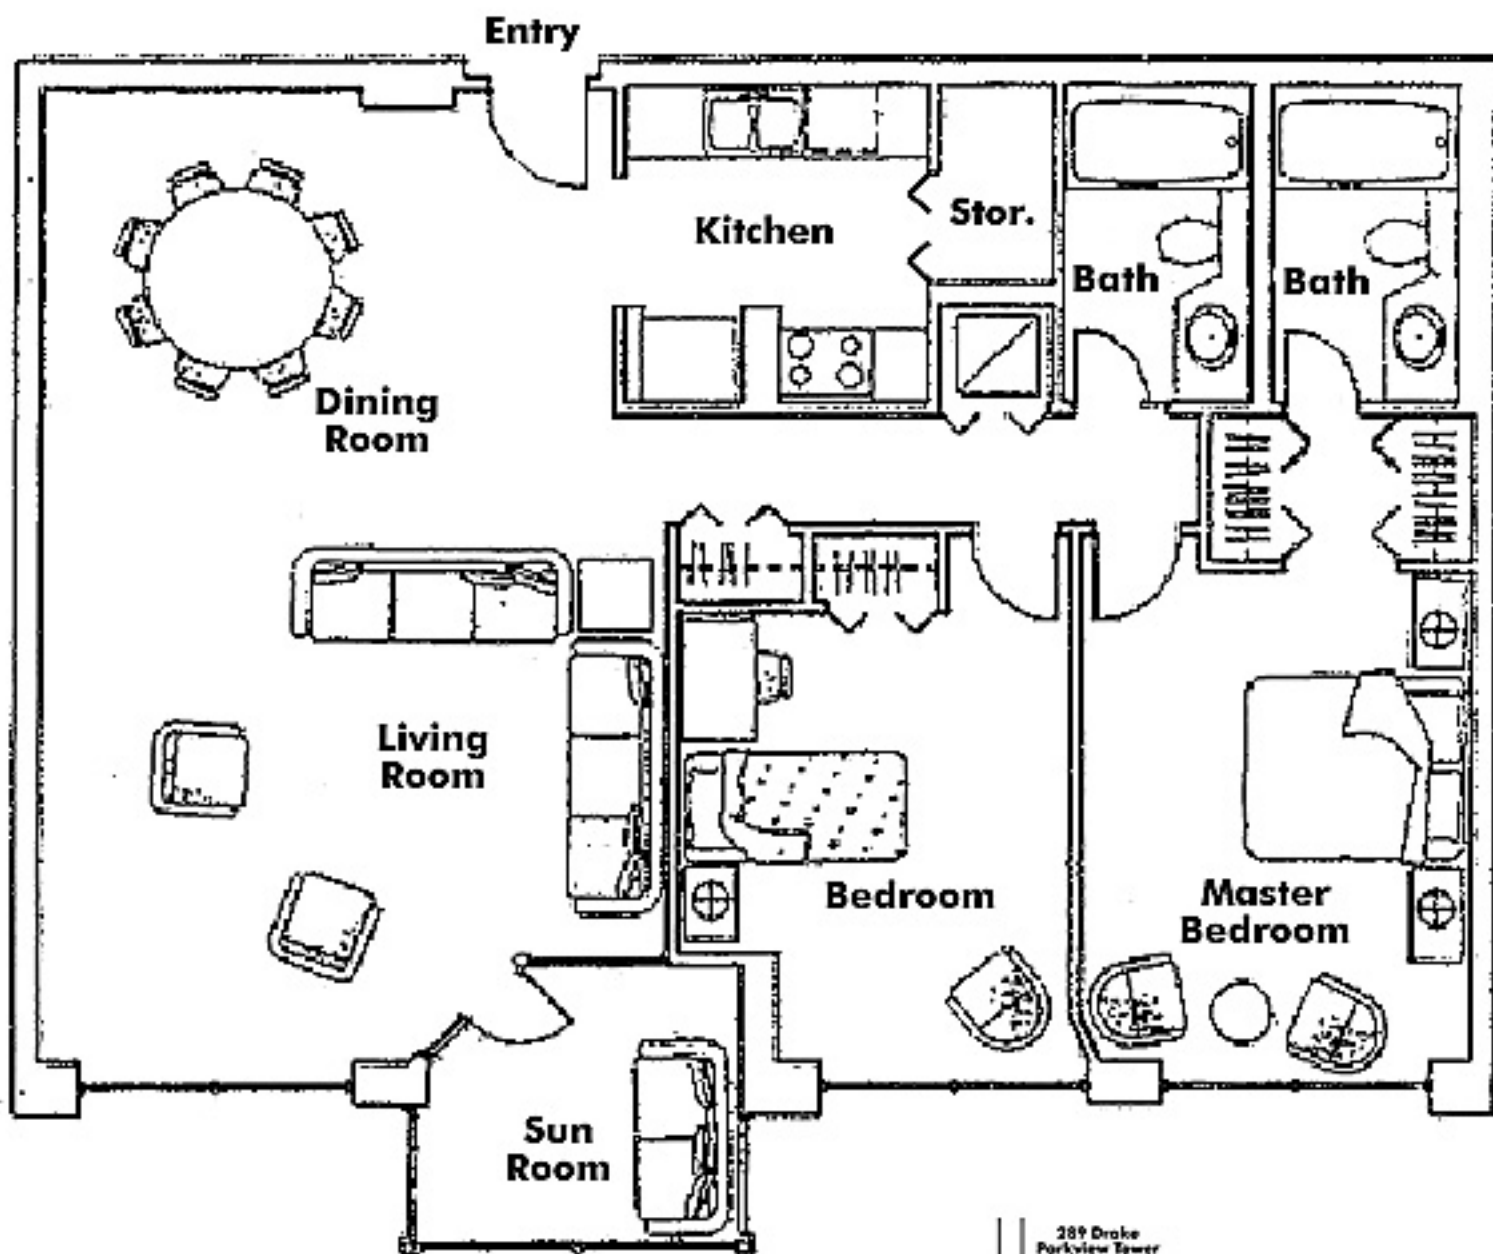

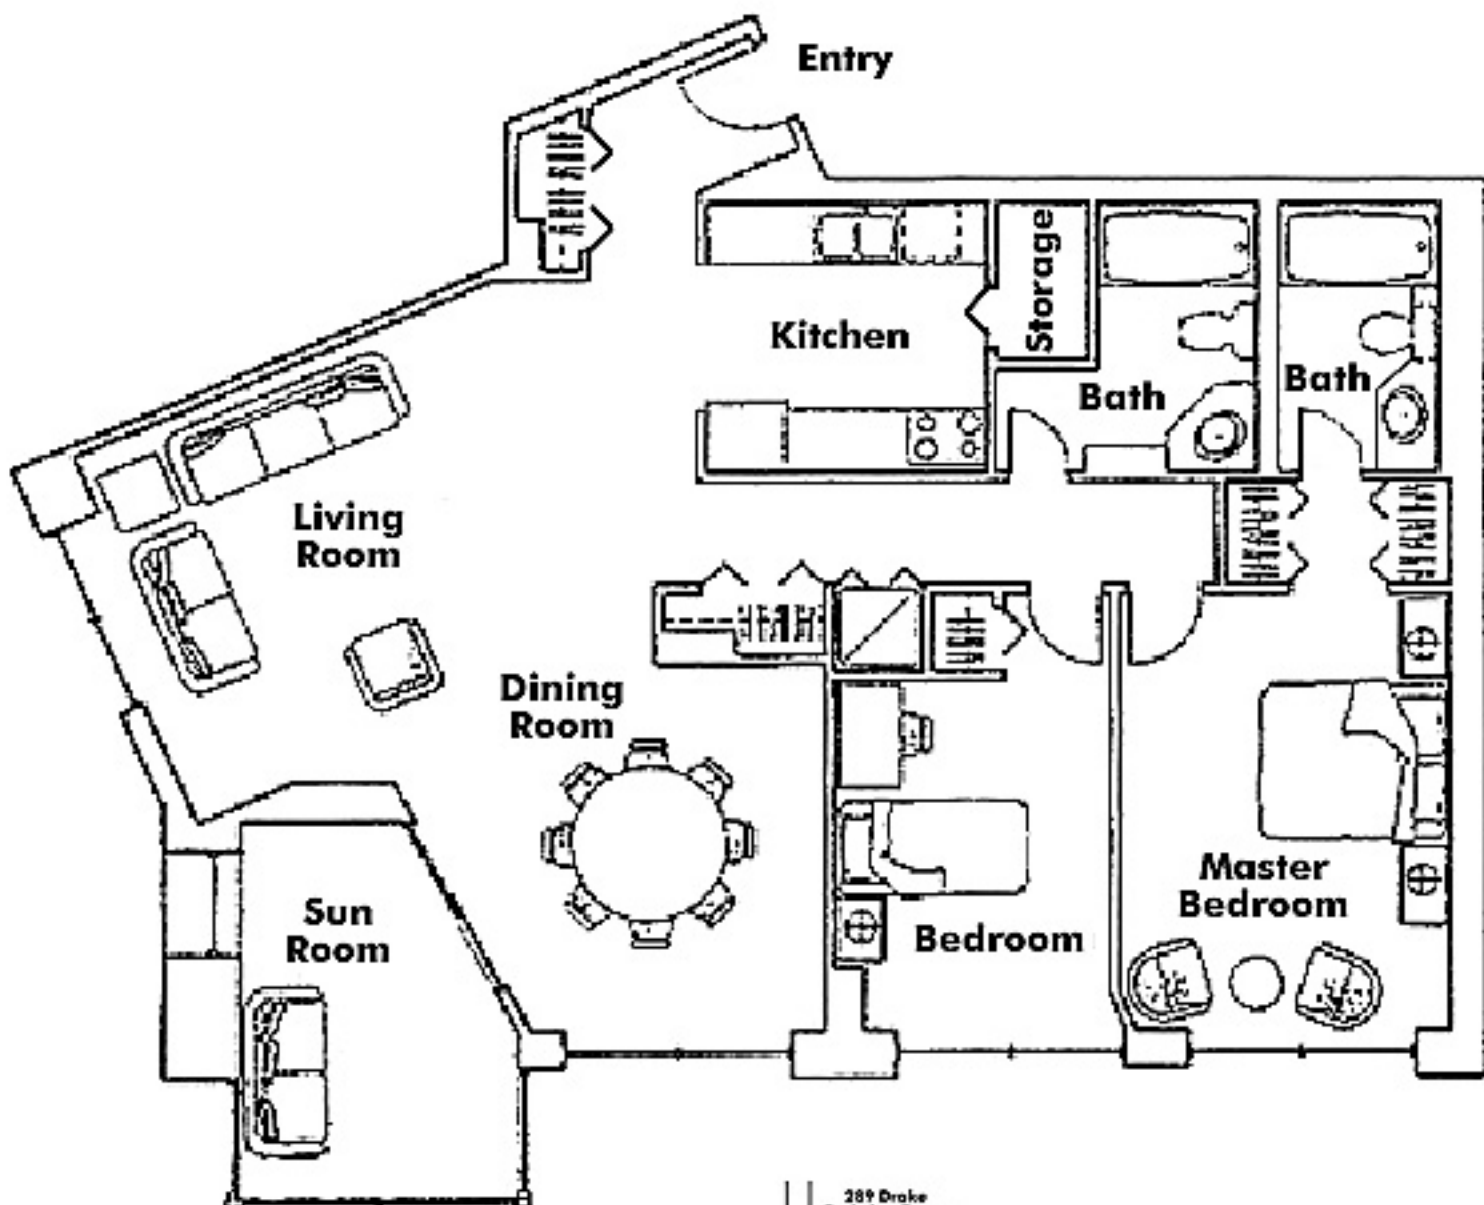

This is a floor plan of a roof terrace. The terrace is an irregular shape with a large rectangular area at the top and a smaller rectangular area at the bottom. A staircase, labeled 'Dn', is located in the lower right corner of the terrace. The staircase has a landing area at the bottom. There are several small rectangular features: a small rectangle on the left wall, a small rectangle in the center of the terrace, and a small rectangle at the bottom right corner. The overall shape of the terrace is roughly L-shaped, with the staircase located in the 'corner' of the L.
